

# Paper Dolls Planning Sheet

Use this sheet to jot down ideas & sketch out possible designs to keep your thoughts organized

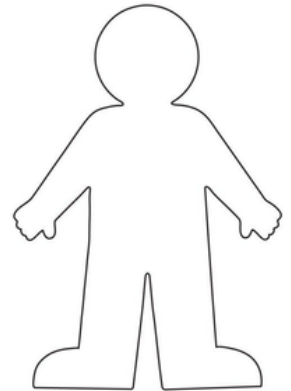

What traits are important to your identity? *Why?*

What environments (or places) are important to you? *Why?*

## Doll Sketch

Quickly sketch out some doll design ideas. Consider how you will visually portray your traits. You do not have to use the template, but if you think it would be helpful, go for it!

TIP: Consider adding accessories, like hats, bags, different shoes, etc.

## Background Thumbnail Sketches

Portrait orientation

Quickly sketch out some background ideas. Consider whether it will be in *landscape* or *portrait* orientation, the *composition* of your chosen environment, and how you will communicate its importance to your audience.

Landscape orientation
